## NOW HIRING: TRUCK DRIVER/INSTALLER

POSTING DATE: March 1, 2018 (Accepting application until position filled)  
POSITION: Truck Driver and Installer, The Uni Project, New York, NY  
EMPLOYMENT DATES: Apr-Sep  
HOURS + PAY: Part-time, \$18-20/hour (depending on experience), up to 20 hrs a week  
LOCATION: New York City

---

The Uni Project is a nonprofit that brings learning opportunities to public space in New York City. Using custom-designed installations, we pop up in parks, plazas, and other public spaces to offer reading, drawing, and hands-on experiences for New Yorkers of all ages. We partner with community-based organizations and city agencies, and we prioritize underserved locations. We do this work to improve the urban environment, strengthen communities, and make education a visible, enjoyable part of urban life.

The Uni Project is hiring a truck driver to work as part of a team that deploys our programs city-wide. We are looking to hire a motivated, highly responsible person who will drive, unload, and manage a 16 foot box truck during our summer season.

The driver will pick up our truck from a parking lot on East 125th St in Harlem, deliver equipment to destinations at a scheduled time, unload items via lift gate and hand truck, sit in the truck during the event, and then re-load and return to the lot. The Driver is expected to maintain a professional manner at all times, communicating by email, text, and phone with supervisors regarding any delays or equipment issues. Safety is a top priority as there are often children at the locations where we work.

### Qualifications:

- 21 years of age or older
- One year commercial truck driving experience or recent CDL graduate
- Familiarity with and driving knowledge of NYC streets
- Ability to access Internet for planning routes and email for communicating with Uni Project staff
- Ability to maneuver and deliver a 300 lb wheeled cart and other gear to street level via a lift gate.
- Ability to professionally tie down and strap cargo inside a box truck.
- Must be comfortable interacting with fellow staff and have a strong commitment to customer service and safety
- Ability to work a flexible schedule

### Driving Record requirements:

- Must have a valid NY, NJ, CT or PA driver license
- CDL is not required, but a plus
- 3 points or less on a motor vehicle report
- No suspensions (regardless of cause)

To apply, contact Sam Davol at [sam@theuniproject.org](mailto:sam@theuniproject.org). Tell us why you want to work with us and describe your skills. Attach resume if available. If interviewed, references will be required.
